Dear Mr. Smith:

Airport Water Drainage Impacting Seattle City Light Property  
(P.M. #240429-1-302)

This letter is to confirm the September 4, 1984 telephone conversations between Mr. Jeff Winter of King County and Mr. Alton Cuplin and Mr. Raymond Rosen of Seattle City Light regarding water drainage from King County Airport property onto City Light's property at the Georgetown Steam Plant.

It is our understanding from these conversations that King County has agreed to correct the existing drainage problems from its property at its expense. Please provide us with a date by which you expect this work will be completed. You may contact Mr. Rosen at 625-3394.

Yours truly,

  
Gary V. Farr  
Property Manager
